

## SPONSORSHIP INFORMATION

**Aid was created to help all Australians,  
for Australians.**

Giving back to those communities that go the extra mile.  
Supporting small sporting clubs that really look after the youth of today, so tomorrow will be a brighter future.

Oz Aid is holding an event in December called QUICK STREET, to raise money to support local groups and communities.  
Our aim is to bring together like-minded people in a safe and family environment while still enjoying the thrill of a car racing atmosphere.

Oz Aid is giving the opportunity to allow you to race your car while family and friends can come watch and be a part of it.  
We have designed an event where absolutely everyone can enjoy. From drag racing to Power skids, kids' rides and live music concert. Do not miss this event.

We appreciate the sponsorship, so we really want to make it worthwhile for all the sponsors to get behind this event and also promote their own business. Everyone's a winner.
